San Luis Obispo Railroad Museum brings you a unique multi-media presentation titled "Disney's Love of Trains" presented by Michael Campbell. Michael will be speaking about the development of the Disney railroad and Walt's love for trains.

Train rides will be available both before and after the presentation on the historic former Santa Fe and Disneyland Railroad "Retlaw1" passenger cars that were built in the Disney Burbank Studios and operated at Disneyland from 1955 to the early 1970's. Local wineries will have wine & beer tastings and hors d'oeuvres will be served. The event will be held in the historic barn at Santa Margarita Ranch, Santa Margarita, CA.

This is a fundraising event for the construction of the San Luis Obispo Railroad Museum. Help us Complete the Museum & Open to the Public!
